

Fixed termination for contact wire 120 mm²

Item number 823001

Material and weight

Fittings: cast aluminium

Connectors: stainless steel

Forked collar socket: stainless steel

Mast bracket: hot-dip galvanised steel

Insulator: GFRP/silicone

Specifications

Mast type: HEB260

Insulator creepage distance = 1241 mm

Contact wire = copper 120 mm²

Highest continuous voltage = 27.5 kV AC
