

Fixed termination for feeder holder 280 mm², aluminium

Item number 823003

Material and weight

Fittings: cast aluminium
Connectors: stainless steel
Forked collar socket: stainless steel
Mast bracket: hot-dip galvanised steel
Insulator: GFRP/silicone

Specifications

Mast type: HEB260

Insulator creepage distance = 1241 mm

Feeder = aluminium 180 mm²

Highest continuous voltage = 27.5 kV AC
