

Fixed termination for messenger wire 70 mm²

Item number 823004

Material and weight

Fittings: cast aluminium
Connectors: stainless steel
Forked collar socket: stainless steel
Mast bracket: hot-dip galvanised steel
Insulator: GFRP/silicone

Specifications

Mast type: HEB260

Insulator creepage distance = 1241 mm

Messenger wire = bronze 70 mm²

Highest continuous voltage = 27.5 kV AC
