

Fixed point for cantilever pipe: 70 mm

Item number 823009

Material and weight

Fittings: cast aluminium

Connectors: stainless steel

Mast bracket: Hot-dip galvanised steel

Insulators: GFRP/silicone

Specifications

Mast type: HEB260

Insulator creepage distance = 1241 mm

Messenger wire = bronze 70 mm²

Contact wire = copper 120 mm²

Highest continuous voltage = 27.5 kV AC
