

# Section insulator ETB 1200 V within copper tube, simple, for 1 grooved contact wire 100-120 mm<sup>2</sup>

Item number 103103

## Dimensions

B: 946 mm  
L: 1116 mm  
A: 368 mm

## Loads

Breaking load: 80 kN  
Nominal working tensile load: 15 kN

## Specification

Operating voltage: 1200 V DC  
Creepage distance: 368 mm
