

Section insulator ETB 750 V within copper tube, double, for 1 grooved contact wire 100-120 mm²

Item number 103104

Dimensions

A: 841 mm
B: 1301 mm
L: 1471 mm

Loads

Breaking load: 80 kN
Nominal working tensile load: 15 kN

Specification

Creepage distance: 841 mm
Operating voltage: 1200 V DC
