

Feeder cable 150 mm²

Item number 300078

Dimensions

Ø1: 22.5 mm

Ø2: 18.8 mm

Material and weight

Weight: 1.550 kg/m

Function

Fixed installation outdoors

Specification

Cable: flexible, isolated, flame retardant

Ambient temperature: -40° C up to +110° C

Long. cond.: 150 mm²

Nominal voltage: 600/1000 V

Alternating voltage test: 3500 V

Comments

- Additional mechanical and electrical data and other cable types on request
