

Low tension cable 50 mm² PE/PEN

Item number 301012

Dimensions

Ø: 14.9 mm

Material and weight

Weight: 0.589 kg/m

Function

Cable for earth connection

Specification

Cond x-sect: 50 mm²

Cable: halogen-free, flame retardant IEC 332-1

Ambient temperature: -20° C up to +70° C

Testing voltage: 3500 V

Nominal voltage: 600/1000 V

Comments

- Additional mechanical and electrical data and other cable types on request
