

## Cable 2 x 2 x 20 AWG

Item number 301688

### Dimensions

Ø: 11.4 mm

### Material and weight

Weight: 0.150 kg/m

### Function

Fixed installation outdoors

### Specification

Ambient temperature: -40° C up to +110° C

Cable: halogen-free, flame retardant IEC 332-1

Nominal voltage: 600 V

Alternating voltage test: 2500 V

Cond x-sect: 0.5 mm<sup>2</sup>

### Comments

- Additional mechanical and electrical data on request
