

Recessed head Lindapter, type P 1 short, for hexagon bolt M10

Item number 352174

Dimensions

A: 24 mm
B: 8 mm
C: 5 mm

Material and weight

Material: GTW HDG
Weight: 0.010 kg

Comments

- The types P short are intended to accommodate thicker flanges where the tail of the Lindapter is insufficient.
- If necessary it is possible to use several parts together
- Additional executions on request
